

**TUNDRA**

**'16 ACCESSORIES**

# GET OUTSIDE AND PLAY— BUT BRING THE RIGHT GEAR.

Your Tundra is one of the strongest, most versatile trucks around. Now Genuine Toyota Accessories can make it easier to load, carry, and protect, or even enhance its performance, making your Tundra an even more integral part of your life. Every accessory is carefully engineered and custom-designed specifically for the Tundra, so that you can enjoy your truck for all the adventures ahead.

**3** EXTERIOR > **19** INTERIOR > **23** TECHNOLOGY > **27** TRD > **32** TRD PRO

# EXTERIOR

Work hard. Play harder. No matter what you throw at it, the Tundra's power and spaciousness meet your needs. Now you can extend the versatility and performance of the truck even further with Genuine Toyota Accessories that are manufactured with the same precision, durability and reliability as the Tundra is.

## BED EXTENDER

**Expand your truck's utility even further with the bed extender<sup>1</sup> that increases bed length by two feet with the tailgate down, or helps contain smaller items with the tailgate up.**

- Powder-coat finish enhances appearance and durability
- Taillights remain visible when extended, in compliance with DOT lighting requirements
- Bed extender cannot be removed when tailgate is up and locked, making theft difficult
- Angle-release mounting brackets enable easy installation or removal
- Adjustable strap latches make sure the bed extender is secured to the tailgate when down

<sup>1</sup> See numbered disclosures on page 37

## EXHAUST TIP

**Finish off the Tundra's bold style with these shiny exhaust tips.**

- Constructed of polished, corrosion-resistant double-walled 304 stainless steel
- Easy bolt-on installation; no cutting, drilling or welding

## 7-PIN AND 4-PIN TRAILER CONNECTOR

**Connecting your trailer to your Tundra is a breeze with this combination 7-pin and 4-pin trailer connector<sup>2</sup>.**

- Available on 4.6L V8 models only
- Powers trailer's taillights, turn, brake and hazard lights
- Designed to work with the existing electrical system
- Allows for connection of either a 7-pin or a 4-pin connector from the trailer
- Simple installation

**2** See numbered disclosures on page 37

## BALL MOUNT

**No matter the destination, bring your toys along with the Genuine Toyota ball mount<sup>2</sup>.**

- Ball placement provides precise drop/rise to maintain vehicle departure angle
- Black powder top coat provides uniform surface coating, protect against UV rays
- Lab and on-road testing ensures quality of tow hitch system
- Trailer ball sold separately

## TRAILER BALL

**Crafted of cold-forged steel for superior strength, the trailer ball<sup>2</sup> is designed to work with your Tundra's tow hitch ball mount.**

- Available in 2 5/16-in., 2-in. or 1 7/8-in. ball diameters
- Helps complete the connection between the vehicle's tow hitch receiver and trailer
- Includes built-in wrench flats for ease of installation and torquing
- Ball mount sold separately

## TOW HITCH RECEIVER

**Big fun calls for big toys. Tow up to 6,800 lbs. with confidence with the strong, durable Class IV tow hitch receiver<sup>2</sup>.**

- Easy, no-drill installation helps maintain the structural integrity of the vehicle frame
- Custom replacement bumper trim panel matches vehicle contours and color
- 16 connection points to the vehicle frame evenly distributes weight to help reduce stress and preserve the integrity of the frame and body structure
- Ball mount and trailer ball sold separately
- Available for the 4.6L engine

<sup>2</sup> See numbered disclosures on page 37

## 20-IN. MACHINED 5-SPOKE ALLOY WHEELS

## 20-IN. CARVED 5-SPOKE ALLOY WHEELS

**Go big or go home. These lightweight alloy wheels<sup>3</sup> increase performance by dissipating heat faster, while increasing grip.**

- Incorporates the proper balance, offset and brake clearance to ensure proper fit, finish and reliability

**Get all the benefits of lightweight, 20-inch alloy wheels<sup>3</sup>, but with a more polished, eye-catching look.**

- Incorporates the proper balance, offset and brake clearance to ensure proper fit, finish and reliability

<sup>3</sup> See numbered disclosures on page 37

<sup>3</sup> See numbered disclosures on page 37

## SPARE TIRE LOCK

Add an extra layer of security for your spare tire with this precision-machined spare tire lock.

- Manufactured for enduring structural integrity
- Made from zinc-nickel plated hardened steel construction

## ALLOY WHEEL LOCKS

Tough terrain is no match for your tires and wheels. Make them tougher to poach with triple nickel chrome plated alloy wheel locks.

- Guaranteed proper fit
- Weight matched makes rebalancing unnecessary
- Resists lock removal tools and allow only a single unique key to interface

## CARGO DIVIDER

Keep precious cargo and bulky items from rolling around in your truck bed with this customizable cargo divider<sup>4</sup>.

- Slides along the Tundra's deck rail system to create the space to fit your needs
- Rotates for various configurations including lying flat above cargo
- Made of lightweight, corrosion-resistant, black powder-coated aluminum
- Tested to withstand loads up to 400 lb.

<sup>4</sup> See numbered disclosures on page 37

## CARGO NET – EXTERIOR

Don't sweat the small stuff—at least don't let it slide around and get lost or damaged. The envelope-style cargo net is up for the job.

- Elastic-mesh netting is durable and stain resistant
- Easy to install; attaches to defined points in truck bed
- Folds flat for storage when not in use
- Deck Rail System not required

## PAINT PROTECTION FILM

**Like an invisible coat of armor, Genuine Toyota paint protection film helps protect against sand, stones and other road debris.**

- Urethane material is designed to provide long-term protection and resists discoloration
- Film constructed of multiple layers for strength and durability
- Genuine Toyota paint protection film is available for select areas of the hood and fenders, or for the front bumper (each sold separately)

**5** See numbered disclosures on page 37

## DECK RAIL SYSTEM

**With a deck rail system that works with tie-down cleats and locking fork bike rack, you can secure almost anything you need for your work or play.**

- Galvanized steel construction for superior strength
- Black powder top coat ensures durable corrosion resistance
- Includes four tie-down bed cleats made of sturdy die-cast aluminum, accommodating a maximum load of 880 lb. (220 lb. each)
- Includes locators for bed cleats every four inches
- Mini tie-downs sold separately

## LOCKING FORK BIKE RACK

**Go hiking with no worries, knowing that your bike is secured in a locking fork bike rack that locks down the front forks<sup>4</sup>.**

- Custom-designed for the Tundra's deck rail system
- Bike can be positioned along the front bed rail
- Virtually effortless mounting: simply remove the front wheel, position the forks into the skewer and lock

<sup>4</sup> See numbered disclosures on page 37

## MINI TIE-DOWNS WITH HOOKS

**Organize and secure your gear with adjustable mini-tie downs with hooks<sup>4</sup>, composed of sturdy black nylon for durability.**

- Each mini tie-down measures 2-in. x 1-in. and holds a maximum load of 110 lb. each—a total of 220 lb. for the set of two
- Hooks rated for up to 50 lb.
- Tie-downs slide along the bed rail system, and are held firmly in place by an inner tension spring

<sup>4</sup> See numbered disclosures on page 37

## TIE-DOWN CLEAT

**Secure your precious items in the bed by fastening them to these fully adjustable sturdy tie-down cleats<sup>4</sup>.**

- Composed of strong die-cast aluminum
- Uses a steel locking plate to slide down Tundra's deck rail system
- Holds a maximum of 220 lbs.

<sup>4</sup> See numbered disclosures on page 37

## TUBE STEPS

**Whether or not your truck is lifted, tube steps ease entry into the cab while complementing the Tundra's good looks.**

- Skid-resistant heavy-duty step pads on both sides of the vehicle help to channel water off the steps
- Durable, lightweight aluminum construction is chip and rust resistant; your choice of chrome-plated, or black powder-coat finish
- Simple, no-drill installation
- Not available on Regular Cab models

## **BRUSHED STAINLESS STEEL STEPBOARDS**

**Step into your cab with style and ease when you install these stepboards, composed of rust-free, high-quality stainless steel. They also help reduce dirt and stone chipping of the door and body.**

- Features two heavy duty injection-molded step pads providing a skid-resistant tread surface at each door
- 25% lighter than conventional closed-section running boards, while meeting or exceeding load requirements
- Injection-molded end caps help reduce wind noise and offer a more finished appearance

## CAST ALUMINUM RUNNING BOARDS

**Step up and step in. These sturdy running boards<sup>6</sup> gives you easier access to the vehicle.**

- Durable aluminum construction with slip-resistant coating
- Sleek design enhances the contours of the vehicle

<sup>6</sup> See numbered disclosures on page 37

## TUNDRA TAILGATE INSERT BADGE

**Details set you apart from the crowd. These inserts emphasize the Tundra stamp in the tailgate so all the world can take note.**

- Attached with strong 3M adhesive backing
- Two colors available: bright chrome and flat black

## BED MAT

Minimize damage to your truck bed and cargo with this heavyweight bed mat<sup>7</sup>. It's made from a high strength, cord-enhanced rubber compound that can withstand abuse without fading, rusting, cracking or breaking.

- Pebble finish minimizes shifting of cargo
- Raised angled ribs ease cargo loading/unloading
- Knobby underside promotes aeration and drainage that keeps the truck bed dry to help prevent rust and mildew

<sup>7</sup> See numbered disclosures on page 37

## SKID RESISTOR™ BEDLINER

Defend your Tundra's bed from damage incurred by shifting loads with a Skid Resistor Bedliner<sup>7</sup>. Made of thick-ribbed, high-density polyethylene, it can withstand a whole lot of abuse, including chemicals and corrosives.

- Premium high-gloss black finish
- Ribbed I-beam floor construction provides superior impact resistance
- Smooth tailgate facilitates easier loading and unloading
- Features a no-drill, no-scuff installation
- Available for every Tundra bed size and configuration

<sup>7</sup> See numbered disclosures on page 37

## SPRAY-ON BEDLINER

**Get the spray-on bedliner<sup>7</sup> that's as tough and durable as your Tundra. Protect your bed from damage with this permanently bonded fixture.**

- Toyota quality standards assure uniform thickness and a consistent texture
- Texture surface is designed to prevent cargo from sliding
- No lost cargo space, minimal added weight
- Features a Tundra logo
- Proprietary application method helps to create a straight and crisp edge
- Fully warranted; repairs completed quickly and easily at a Toyota dealership

<sup>7</sup> See numbered disclosures on page 37

## DOOR SILL PROTECTORS

Door sill protectors welcome you every time you step into the cabin while keeping sills scuff-free.

- Skid-resistant surface with the “Tundra” logo molded into the sill

# INTERIOR

Whether you’ve got the two-door regular cab, extended double cab or the colossal CrewMax, you want to keep your cabin looking as good as the day you bought it. Protect it from the elements with durable Genuine Toyota Accessories, customized just for your Tundra for a perfect fit.

# CARPET FLOOR MATS

Help keep your original carpet clean and neat with these durable, fade-resistant carpet floor mats<sup>8</sup>.

- Made to fit the Tundra floor and match the carpeting
- Nibbed backing and quarter-turn fasteners (on the driver's side) help keep mats in position
- Removable and easy to clean

<sup>8</sup> See numbered disclosures on page 37

# ALL-WEATHER FLOOR LINERS

Your Tundra has never been afraid of a little dirt. And now you can really go all out while still keeping the interior like new. Contain the mess with the Genuine Toyota All-Weather Floor Liners<sup>8</sup>; they're precisely engineered to fit your footwell so your carpet stays protected, no matter what's on your boots.

- "Tub Style" perimeter design provides an ideal fit to help keep liner from shifting
- Protects the original floor carpet from soiling due to dirt, mud, sand, and snow
- Constructed from a durable, lightweight, and completely recyclable TPE material that is easily cleaned with soap and water
- Front mats feature a custom-molded logo that provides a distinctive OE look<sup>8</sup>

<sup>8</sup> See numbered disclosures on page 37

## CENTER CONSOLE TRAY

A Tundra's cabin can be as useful as its bed with the addition of a custom-designed center console tray. With compartments for phones, tablets, and other objects, everything can be organized and conveniently within reach.

- Neoprene backing prevents tray from sliding around
- Easy slide access to power cords
- Railings to accommodate letter-size hanging file folders

## ASHTRAY CUP

Keep ashes in the only place they belong: an ashtray.

- Hinged lid helps minimize odors and prevent flyaway ash
- Removable, easy to empty cup that fits snugly inside the cupholder
- Non-smoker? Can also be used to hold loose change and other small items

## EMERGENCY ASSISTANCE KIT

Be prepared for minor emergencies and repairs with the multi-functional Emergency Assistance Kit. The triangle shaped zipper bag in gray/black two-tone features outer storage pockets and reflective emergency indicators on the kit surface. Contents include:

- Versatile, stainless steel pocket tool with multiple functions including:
  - Pliers, wire cutters, two screw drivers
  - Heat-reflective emergency blanket
  - Hand-squeezed flashlight
  - Work gloves with textured palm area to optimize grip
  - Automotive-grade hose tape
  - Booster/jumper cables with multi-lingual instructions
  - Tire gauge
  - Bungee cord
  - Shop towel
  - Tether strap

## FIRST AID KIT

This compact kit will come in handy to address minor scrapes and wounds, to help you get patched up and on your way. The soft-sided, water-resistant, and flame-retardant black PVC zipper case contains:

- Insect-sting relief pads
- Self-adhesive bandages
- Rolled stretch bandage with metal clips
- Two multi-use, waterproof, heat-reflective survival blankets
- Stainless steel scissors capable of cutting through seatbelt strapping

## REMOTE ENGINE STARTER

**Step into the comfort of a pre-cooled or heated cabin, thanks to the remote engine starter<sup>9,10</sup>.**

- Activates air conditioner, heater, defroster and defogger functions to preset temperatures and settings
- Engine starts with quick, three-step sequence using remote key fob
- Integrates with keyless entry system and existing factory security

**9,10** See numbered disclosures on page 37

## KEY FINDER

**You need your keys, now. Once synced to your iPhone®, the Toyota Key Finder<sup>10</sup> can alert you when you leave keys behind or locate them from up to 60 feet away. You can also use the key finder's fob to find your iPhone hiding in the clutter.**

- One app monitors up to eight separate Key Finder devices
- Supports only iPhone/iPad/iPod Touch with iOS 5.0 or later
- Backed by 12-month Toyota Approved Accessory parts warranty

<sup>10</sup> See numbered disclosures on page 37

## UNIVERSAL TABLET HOLDER

**Help keep passengers entertained with this high quality, universal tablet holder. Compatible with virtually all multimedia devices, it securely holds your tablet, phone, music or video player.**

- Installs and removes in seconds – no tools required
- Durable material with spring loaded arms
- Adjustable pivot/tilt for ultimate viewing experience

# RS3200+ VEHICLE SECURITY SYSTEM

**With the Tundra's looks and performance, can see the envy in their eyes—but they're just gonna have to get their own. Protect your Tundra with a security system<sup>11</sup> and sleep easier.**

- Designed to integrate with the keyless entry system—no need for an additional remote
- Automatic rearming and relocking, door-ajar warning, interior light activation, panic alarm, rolling code technology and disabling of the starter
- Glass breakage sensor (GBS) includes a highly sensitive microphone that detects the sound -frequency of an object striking on glass or glass breakage
- Warn-away alarm is triggered if an object strikes a window
- Alarm is activated if someone tries to force open a door or if glass is broken

## GLASS BREAKAGE SENSOR

**Enhance the coverage of your security system with the glass breakage sensor<sup>10</sup> that activates the alarm if the glass is broken.**

- Glass breakage sensor (GBS) includes a highly sensitive microphone that detects the sound frequency of an object striking on glass or glass breakage
- Warn-away alarm is triggered if an object strikes a window
- Designed to integrate with the keyless entry system—no need for an additional remote

**10, 11** See numbered disclosures on page 37

**It's a heritage steeped in the fire and glory of competitive racing. Toyota Racing Development (TRD) accessories are forged utilizing the same expertise that goes into the equipment used in extreme competition, and engineered to exceed expectations when it comes to enhancing your Tundra.**

# TRD PERFORMANCE HANDLING SUSPENSION KIT

Empower your 2WD Tundra with greater athleticism and agility, thanks to the complete TRD Performance Handling Suspension Package.

- Includes TRD-tuned shock absorbers, front coil springs, rear leaf springs, rear sway bar and all required hardware, including bump stops
- Engineered specifically for 2WD Tundra
- Lowers Regular Cab: 40-mm. in the front and 60-mm. in the rear
- Lowers Double Cab and the CrewMax: 60-mm. in the front and 70-mm. in the rear

## TRD PERFORMANCE SHOCKS

Get less lean during maneuvering and a firm, well-managed ride with race-inspired shocks.

- Aggressive valving for better response
- Not compatible with suspension kit

# TRD REAR SWAY BAR

Enhanced control, less drama. Rear sway bars give your Tundra flatter cornering and less under steer during maneuvering, helping to deliver greater handling overall.

- Helps preserve the secure handling of the original steering and suspension system
- High-quality spring steel help ensure strength, stiffness and durability
- Durable, gloss red powder coat finish resists corrosion and helps protect against damage
- Simple, bolt-on installation, with no modifications required: all hardware included
- Not compatible with lowered Tundra Trucks

# TRD PERFORMANCE OIL FILTER

Keep your oil pure as long as possible, and help enhance the life of your engine, with the TRD Oil Filter that kicks out impurities through a 100% synthetic fiber filtration medium.

- Zinc-plated steel end caps help increase structural integrity
- Red silicone gaskets help provide excellent seal characteristics at high temperatures
- Kit includes two replacement high-temperature Viton housing gaskets and drain adapter

# TRD PERFORMANCE BRAKE PADS

Whether you're boulder bashing or stuck in traffic, you quickly realize that the left pedal is just as crucial as the right. The enhanced stopping power from TRD brake pads decreases stopping distance while it increases your confidence.

- Aramid- and ceramic-strengthened compound helps deliver an optimum combination of cold and hot friction with minimal brake noise
- Reduces fade during repeated stops or extended downhill driving
- Direct replacement for stock pads
- For street and off-road use (not intended for open track sessions)

# TRD PERFORMANCE AIR FILTER

You multitask; make sure your parts do too. This TRD air filter protects as it helps maintain the life of your engine with enhanced airflow.

- Unique, oiled four-ply cotton gauze in polyurethane body
- Enclosed in durable epoxy coated mesh and an elastomeric seal for a precise, leak-free fit
- Allows the maximum amount of air into the engine with the minimal amount of resistance
- Washable and reusable—regular cleaning ensures free airflow and top performance
- Designed to last the lifetime of the vehicle
- Pre-oiled and ready to install, offers exact drop-in replacement for stock air filter

# TRD OIL CAP

The legendary Toyota Racing Development logo is on display every time you pop the hood, when you replace your stock oil cap with this highly polished, forged billet aluminum cap.

- High-luster coating ensures long-term appearance
- Maintains high factory quality standards for performance and strength

# TRD RADIATOR CAP

Enhance performance, and look good while doing it. The TRD radiator cap releases pressure at higher cooling system levels while protecting your engine.

- Helps enhance vehicle performance in high-rpm or high-load conditions
- Designed to release at higher cooling system pressures than factory caps, raising the coolant boiling point to help protect engines under high-rpm or high-load operation

INTRODUCING TRD PRO ACCESSORIES FOR 2016

**Stronger. Fiercer. Harder.** We take the spirit and athleticism of our performance-booster trucks and bake it into every single TRD Pro Accessory. Engineered specifically for your Tundra, they make every adventure more intense.

**TRD PRO**

# TRD PRO FRONT SKID PLATE

Help keep the underbelly of your Tundra safe from vengeful boulders with the TRD Pro front skid plate.

- Enhances Tundra's tough, capable stance
- Helps protect vehicle underbody from damage that can result from flying stones, branches, ice chunks and other types of road debris
- Made from stamped and formed 1/4-in.-thick silver powder-coated aluminum
- Skid plate won't interfere with or block the cooling system, while providing cut outs for unobstructed access to all maintenance points and vehicle tow hooks
- Rigorous CAD simulations conducted by Toyota engineers, in addition to real world testing, help to maximize protection and prevent vibration stress and noise issues
- Easy, no-drill installation uses vehicle's existing attachment mounts

# TRD PRO PERFORMANCE DUAL EXHAUST SYSTEM

Energize the brute within with some deep breathing exercises. The TRD Pro exhaust gives your engine greater power with a less restrictive path, while bellowing out a deep, throaty tone.

- Made from premium stainless steel grades, and featuring a cat-back exhaust design with dual TRD logo-etched tips
- Allows for a less restrictive path, helping reduce backpressure for added low-to mid-range torque, along with improved horsepower
- Produces a deep, throaty, award-winning exhaust note while meeting the legal 95-decibel noise limit, as required by law

# TRD PRO FLOOR MATS

Help protect your carpet from mud-splattered adventures with custom-fitted, durable, fade-resistant carpet mats<sup>8</sup>.

- Quarter-turn fasteners (on the driver's side) and nibbed backing on all mats help keep mats in position
- Removable and easy to clean

# TRD PRO SHIFT KNOB

Enhance your connection to your Tundra every time you shift with the TRD PRO shift knob.

- Simple remove and replace installation with no drilling or special tools required

## ALWAYS GO WITH GENUINE TOYOTA ACCESSORIES

When it comes time to make your Toyota your own, remember only Genuine Toyota Accessories are designed, tested, and approved specifically for your Toyota vehicle. Plus, when you purchase them at the same time as your new vehicle, Genuine Toyota Accessories are backed by Toyota's 3-year / 36,000-mile New Vehicle Limited Warranty, valid at any Toyota dealership nationwide.

To learn more about Genuine Toyota Accessories and to see how they'll look on your Tundra with our comprehensive Build Your Toyota feature, please visit [toyota.com](http://toyota.com) or to find your local Toyota dealer, please visit [toyota.com/dealer](http://toyota.com/dealer).

This brochure is based upon information available at time of printing, is subject to change without notice, is for mainland U.S.A. vehicles and may differ in the state of Hawaii, Puerto Rico, the U.S. Virgin Islands and in other regions.

### DISCLOSURES

---

1. Payload Capacity is the calculation of GVWR minus curb weight and should be used for comparison purposes only. The maximum amount of passenger and cargo weight your vehicle can carry is the Load Carrying Capacity indicated on the label(s) on the driver's doorjamb.
2. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your Owner's Manual. The maximum you can tow depends on the total weight of any cargo, occupants and available equipment.
3. 20-in. performance tires are often expected to experience greater tire wear than conventional tires. Tire life may be substantially less than mileage expectancy, depending upon tires used and driving conditions.
4. Requires Deck Rail System.
5. The Toyota Genuine Accessory Warranty will only apply when the installation is performed by a trained Toyota-approved installer. Please see dealer for details.
6. This part is for the C-CAB Only
7. Payload includes the weight of occupants, cargo and options; limited by weight distribution. Always properly secure all items.
8. To avoid potential interference with pedal operation, do not install a floor mat on top of an existing floor mat, and each mat must be secured with either quarter-turn fasteners or retention hooks (clips). This floor mat was designed specifically for use in this model and model year vehicle and SHOULD NOT be used in any other vehicle.
9. Use only if aware of circumstances surrounding the vehicle at time of start. Operate only when legal and safe to do so (e.g., car uncovered in open area with no people or pets inside or nearby). See usage precautions and Owner's Manual.
10. iPhone® not included. Toyota Key Finder requires customers download the free Toyota Key Finder application from the iTunes®, App Store<sup>SM</sup> to operate features. Please review the Mac OS® devices listed under Toyota Key Finder on iTunes App Store to verify compatibility. Please note: Interference from structures may affect signal strength. iPhone®, App Store<sup>SM</sup>, iTunes®, and Mac OS® are registered trademarks of Apple Inc. iPhone® is a registered trademark of Apple Inc.
11. Available for vehicles equipped with factory remote keyless entry.
